## **THEATER WORKSHOPS** **2008-09 Season    Our Theater...Our Culture**

Teatro de la Luna announces openings for its popular Actors' Training Workshops. Workshops are held in Spanish and are designed to provide professional quality, public readings of current and recent Spanish-language plays. This project is sponsored through a generous grant from the D.C. Commission on the Arts and Humanities.

The first series of workshops will take place on Tuesdays, January 6, 13 and 27, and February 3, 10 and 17 from 7:00-9:30 pm at Casa de la Luna, 4020 Georgia Avenue, NW, Washington, DC, which is a short walk from the Georgia Avenue/Petworth Metro Station on the Green Line. The workshop series will culminate in two public playreadings on February 24 and 25, also at Casa de la Luna.

Workshops focus on training actors in text interpretation and analysis. They are open to adults and teens 16 and over. Prior theatrical experience is not necessary. The focus of this workshop series will be three short theatrical pieces by Costa Rican, Argentinean and Spanish playwrights.

Cost to workshop participants is only \$60. For more information, or to sign up to participate, interested parties should call **202-882-6227**.
